

For the Certified Diver

Let our team of Dive Professionals show you the Largest Living Reef of any Caribbean Island.

8:30am Two-Tank Dive
1:30pm Two-Tank Dive
6:00pm 1 or 2-Tank Night Dive

Our dive staff is in the water to lead all the dives, but those divers who (with their buddies) prefer to do their own thing are welcome to do so. Computer diving is cool with us too.

Dive the Ultimate Wall

The entire north shore of St. Croix is a wall that drops almost 3 miles to the sea floor. With over 70 moored dive sites and the largest living reef of any Caribbean Island, we can show you the colors, the sea life, and the fun to remind you why you started diving.

World-class SCUBA diving under the US flag.
